How should your practice be identified? (Company name or your own name):

Kristin Santiago

Summary:

I have engaged in spiritual direction for myself since 1994. Then I trained with the Shalem Institute of Bethesda, MD in 2004-2005. In 2014-2017, I completed the Wellstreams Program of Training in the Art of Spiritual Direction, which is affiliated with the Spirituality Network. I enjoy hiking and was able to make the pilgrimage across northern Spain along the Camino Frances of the Camino de Santiago. As a Spiritual Director/ Companion, I am a gentle listener, a quiet companion who cherishes openness and spaciousness when listening for the subtle movement of the Divine Spirit. I deeply respect what is evoked from the Spirit in the life of the persons whom I companion. I am an affirming and welcoming companion.

How will seekers meet with you? In-person or online. I use zoom online.

What is your fee?

Whatever you can give. I find that a range of \$25 to \$50 per session is more than adequate. I will never turn a person away due to their inability to pay a fee.
